## ORDER

**Adopted: August 9, 1999**

**Released: August 10, 1999**

By the Commission:

1 The Commission has under consideration the above-captioned requests for review of decisions issued by the Schools and Libraries Division of the Universal Service Administrative Company (USAC or Administrator). These requests seek review of the Administrator's denial of requests, made pursuant to section 254 of the Communications Act, for discounted services under the schools and libraries universal service support mechanism.<sup>1</sup>

2. The Commission's rules generally provide that the Commission must issue a written decision in response to a request for review of an Administrator decision that involves novel questions of fact, law or policy within ninety days unless the time period is extended.<sup>2</sup> If the request for review does not involve novel questions of fact, law, or policy, the Commission's rules provide that the Common Carrier Bureau (Bureau) should consider the request for review and the Administrator's decision will be deemed approved unless the Bureau issues a decision within ninety days or extends the time period for considering the request for

<sup>1</sup> Section 54.719(c) of the Commission's rules provides that any person aggrieved by an action taken by a division of the Administrator may seek review from the Commission. 47 C.F.R. § 54.719(c).

review within ninety days.<sup>3</sup> Due to the large number of requests for review pending before the Commission with deadlines in August and September, the Commission and the Bureau require additional time to review the issues presented in the above-captioned requests for review. Accordingly, we extend by sixty days the deadlines by which the Commission or the Bureau must take action regarding each of the above-captioned requests for review.

3. Accordingly, IT IS ORDERED that, pursuant to section 54.724 of the Commission's rules, 47 C.F.R. § 54.724, the time period for taking action in the above-captioned requests for review, IS EXTENDED BY sixty days from the original ninety day deadline associated with each of the requests for review.
